

I was made aware that there is a possibility that a radio station, (K-LOVE, FM 88.7, 96.5, 89.3) may be impacted by changes to expand LPFM and replace K-LOVE in my listening area. K-LOVE provides a very important radio content that my whole family listens too. Please make sure that you do not impact the delivery of this FM radio station via my local translators. I know that there are many more in Southern Oregon who feel the same as I do. Since this station is supported by donations from its listeners I am sure that you have been able to see just how many would be impacted by your changes.

Thanks,  
~Scott
